Situated in the heart of Cape Winelands, the renowned Kleine Zalze wine farm forms part of the De Zalze Winelands Golf Estate, combining superlative winemaking and hospitality with unlimited leisure and pleasure. Kleine Zalze has a wine making tradition dating back to 1695. Today, the family-owned winery continues this tradition, producing wines of outstanding quality that has led to numerous awards, both locally and abroad.

Situated on the slopes of the Helderberg Mountain, in the heart of South Africa's most famous wine region Stellenbosch, our vineyards are commonly referred to as the Home of Chenin Blanc and other premium award-winning wines. Ken Forrester's philosophy has always been to create a range of handcrafted, individually made wines that suitably complement a wide variety of food styles and provide excellent value.

BEYERSKLOOF

In 1988 one of the Cape's most foremost wine makers, Beyers Truter of Kanonkop Estate, formed a partnership with four ardent wine lovers in Johannesburg with one ideal in mind: to produce a wine of exceptional character. After exploring the Cape Winelands for a suitable location they found a perfectly situated farm in the Koelenhof area within the Stellenbosch Wine of Origin region. Coincidence provided an appropriate name. The farm's original name was Nooitgedacht, which for five generations belonged to the Beyers family before Jan Andries Beyers sold it in 1895.

Beyers Truter is a direct descendent of Jan Beyers, thus making him the sixth generation to farm this land.

This piece of land could only have one name – BEYERSKLOOF

Our Picturesque Neethlingshof Wine Estate in the heart of the Stellenbosch Winelands is flanked by the Bottelary Hills and Papegaaiberg Mountains. Along with the awe-inspiring manor house, our estate is steeped in history which dates back to 1705 and distinguished by the beautiful avenue of stone pines. It's a place where soil, climate and vines co-exist in perfect harmony.

ERNIE ELS WINES

STELLENBOSCH

As a leading South African ambassador and one of the most recognizable faces in the world of sport, Ernie Els has long demonstrated a passion for excellence. His focus, discipline and commitment have led to extraordinary golf success, and these same qualities are evident in Ernie Els Wines. Through his many travels around the globe Ernie has been exposed to and appreciated some of the world's greatest wines and in 1999 decided to pursue this passion for fine wine with the creation of Ernie Els Wines. Ernie befittingly chose Stellenbosch, the noble heart of South African wine to base his operation.

While rooted in this heritage, Spier has a vibrant and conscious energy. Award-winning wine can be paired with fabulous food, grown either on the farm or by nearby farmers. The winery is one of the most awarded in the country and the four-star Spier Hotel and meeting facilities offer inspiring Winelands getaways in the tranquillity of nature.

Villiera is a family run winery in the Stellenbosch region of South Africa. We are a pioneering quality wine company committed to preserving the environment and have been rewarded with membership to the Biodiversity of Wine Initiative. We specialise in Cap Classique and have a strong reputation for Sauvignon Blanc, Chenin Blanc, Merlot and Cabernet Sauvignon.

DELAIRE
GRAFF
ESTATE

Delaire Graff wines rank among the most prestigious in the Southern Hemisphere. Our unique terroir, on the crest of the panoramic Helshoogte Mountain Pass, is something our ambitious winemaker explores harvest after harvest. A long, slow ripening season ensures world-class clarets and red wines big in structure with soft tannins and elegance. Our white wines capture the freshness of the harvest, while irresistible rosé and a sparkling Brut completes an elegantly balanced portfolio.

Blaauwklippen, nestled on the slopes of the Stellenbosch Mountain, is one of the oldest wine farms in South Africa dating back to 1682 and is situated in the picturesque town of Stellenbosch. The name Blaauwklippen comes from the dutch word meaning “blue rocks”. As one of South Africa's oldest wine estates, we are proud of our heritage, our spectacular setting, our fertile soil and our award-winning wines.

In 2005, Retief Goosen with his friend and partner, Werner Roux decided to buy the farm , "Ganzekraal" (meaning 'Goose Enclave') and started their journey together in the wine business - producing the world's finest and only "Goose Wines".

The Goose Wines have garnered glittering awards globally. This truly unique range is handcrafted in high altitude vineyards on the northern slopes of the Outeniqua Mountains, in the heart of the famous Garden Route. These world class wines are vineyard specific. The Upper Lang - Kloof wine ward boasts low annual temperatures of around 17 degrees celcius, creating elegant styled wines with a classic finish. Particular care and precise farming methods, balanced with a biodiverse philosophy create a style and complexity of wine very rarely experienced.

JORDAN

STELLENBOSCH

Gary and Kathy Jordan have been making world-class wines since 1993 on a farm with a history going back over 300 years. Together this husband and wife team is a phenomenon. Gary's parents, Ted and Sheelagh, bought the 146 hectare Stellenbosch property in 1982, and embarked on an extensive replanting programme, specializing in classic varieties suited to the different soils and slopes. Unique by Nature's Design, the Jordan slopes face North, South, East and West, with vineyards lying at differing altitudes from 160 to 410 m above sea level. The vineyards benefit from their close proximity to both the Indian and Atlantic Oceans and enjoy a mild, Mediterranean climate with a maritime influence.

Waterford Estate was created through a very special partnership between two families who had a shared dream to create a wine farm where life is cherished, the seasons mark time and the fruit always reminds of blessings, abundance and the beauty of nature. Waterford Wines (Pty) Ltd was founded in 1998 when Jeremy and Leigh Ord purchased this prime Stellenbosch vineyard land (previously part of the Stellenrust Farm). Kevin and Heather Arnold were responsible for identifying this unique site, planning the new winery and resurrecting the existing vineyards and orchards, and have been instrumental in developing Waterford into the showcase estate it is today.

Oldenburg Vineyards is an independent family run boutique winery aiming to make some of the finest and most respected wines. Due to some heritage, careful planning, and a large amount of good fortune we are the custodians of a small corner of Stellenbosch, tucked away in the mountains in an area known as Banghoek. We believe we have some of the finest terroir in South Africa, with some magnificent views, and a truly unique and beautiful setting.
