At the heart of the Cape Winelands, where history and terroir meet, lies Kleine Zalze – a Stellenbosch winery rooted in legacy since 1695. A bold new chapter began in 1996, bringing fresh vision and a focus on excellence. Our vineyards are the soul of what we do – site-specific, thoughtfully farmed, and the starting point of every decision. The result is wines that are refined, honest, and true to their origin. In 2022, we entered a new era under the ownership of AdVini, one of France's most respected wine groups, adding global expertise while preserving our identity. Our winemaking philosophy is rooted in respect for the land, cellar, and people. We continue to produce wines of trusted quality and international acclaim – wines that tell a story of place, inspire confidence, and stand the test of time.
